

# LEWISTON ROUNDUP

April 15, 2020 | Idaho Stay-At-Home Order Extension

Idaho Governor Brad Little has extended the statewide stay-at-home proclamation as COVID-19 continues to be monitored. Gov. Little announced the extension will remain in effect through April 30th.

In accordance with these measures, and as a non-essential business, the Lewiston Roundup Facility including the Indoor Arena, Outdoor Arena, and Ketch Pen continue to remain closed through April 30th. This will impact both reservations and facility use for renters and members.

Please note the following:

- Lewiston Roundup Riding Areas (Indoor Arena, Outdoor Arena, Sliding Track, Warm-Up Arena) are not open for use.
- Any rental deposits for reservations that are not used will be refunded at the end of the Stay-At-Home directive issued.
- Boarders are allowed access to the Lewiston Roundup grounds in order to care for animals housed on-site.
- Lewiston Roundup facilities are closed to riding members during this time.

Stay safe!
